This title is an epic story of life, love and survival at all odds and one of the most-talked and anticipated books of the year. In a ruined and hostile landscape, in a future few have been unlucky enough to survive, a community exists in a giant underground silo. Inside, men and women live an enclosed life full of rules and regulations, of secrets and lies. To live, you must follow the rules. But some don't. These are the dangerous ones; these are the people who dare to hope and dream, and who infect others with their optimism. Their punishment is simple and deadly. They are allowed outside. Jules is one of these people. She may well be the last.
